

Interested in Biomedical Sciences?
Excited to explore new challenges in Sweden & Singapore?

NTU-KI Joint PhD Program in *Biomedical Sciences*

Program Content

- Joint PhD Programme between Karolinska Institutet, Sweden & School of Biological Sciences (SBS, NTU)
- Intake – January and August
- **Scholarship granted for 4 years** (*university fees + stipend*)
- Airfare grant for time spent in Sweden.
- Thesis: Research project in biomedical sciences.
- Project carried out in both Singapore & Sweden.
- International program board (*KI- and NTU Professors*)
- Opportunity to attend training workshops and international scientific conferences.
- Degree awarded by both Nanyang Technological University (NTU) & Karolinska Institutet

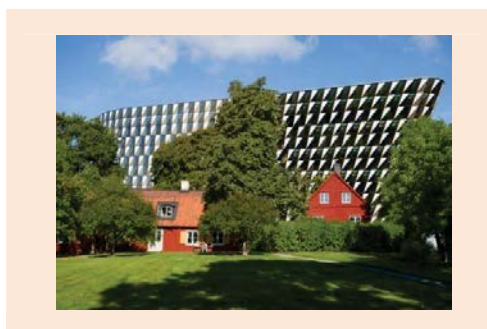

Attractive Scholarship Includes:

International Students:

- University fees
- Monthly stipend
- Airfare grants
- Medical Insurance
- Campus housing

Local Students:

- University fees
- Monthly stipend
- Conference allowance
- Campus housing

About Karolinska Institutet

- Karolinska Institutet (KI) is a world-leading medical university with research that spans the entire medical field from basic experimental research to patient-oriented and nursing research
- Since 1901 the Nobel Assembly at Karolinska Institutet has selected the Nobel laureates in Physiology or Medicine.
- An excellent international research environment with English as the main working language
- Access to high quality doctoral courses
- Good individual support mechanisms including career planning
- Browse www.ki.se and www.ki.se/doctoral to find more information about doctoral education at Karolinska Institutet.

About SBS, NTU

- NTU is ranked 11th in QS World University Ranking (2019).
- The Mission of SBS is to create knowledge and educate researchers and scientists for the future.
- Our research covers a wide and varied areas including structural biology, cancer and cell biology, chemical biology, immunology, neurosciences, plant biology and computational biology.
- We do not provide medical insurance for international students.
- For more information visit: <http://sbs.ntu.edu.sg/prospective/graduate/Pages/Home.aspx>

Interested candidates should visit <http://www.sbs.ntu.edu.sg/prospective/Graduate/Pages/NTUKI.aspx> for details about the **projects** and **application process**
