NTUTransport
## An application for Shuttle Bus Users in NTU

Student: Alfred Chan Choon Kiat

Supervisor: Asst Prof Lam Siew Kei

> Start Travel

Pioneer MRT Station >>> Canteen 2

1. 🚶 Walk from current location to Pioneer MRT Station at Blk 649A (3 min)

2. 🚗 Take Campus Rider Green from Pioneer MRT Station at Blk 649A for 2 stops to Canteen 2

3. 🚶 Walk from Canteen 2 to Canteen 2 (19 s)

Project Objective:

To develop a mobile application to guide users to the destination using the shuttle buses available in Nanyang Technological University (NTU)

What is different about this app from existing apps?

Plan routes automatically

Are you walking or in bus? The app knows!

Not following the suggested route? The app will plan the route again automatically!

Reaching the last bus stop? The app will tell you!
