**Students may refer to** the PGR ICC information here **for more details.**

**Tutorial venues will be communicated to students upon successful enrolment into GP8000.**

**Important Notes**

1. **Please share the above tutorial schedule with the students and remind them not to register for any courses that clash with GP8000.**

2. **Students with timetable clashes will be automatically de-registered from GP8000.**

3. **Once enrolment is completed, it is the School's responsibility to monitor students' course registrations.**

**For any further clarification or assistance, please contact us at gc-academic@ntu.edu.sg.**
