

## MORE INFORMATION ABOUT NTU ENTREPRENEURSHIP ACADEMY - IMMERSION TRIP TO VIETNAM, HO CHI MINH CITY

Thank you for your interest in our immersion trip. Please find below the basic information addressing your queries:

### Objectives of the Trip

The objective of this trip is to focus on:

- **Industry 4.0 in Action:** Gain behind-the-scenes access to advanced manufacturing zones and smart city pilot projects.
- **AI & Digital Ecosystem Insights:** Learn from Vietnam's rapidly expanding technology scene in AI, IoT, and digital services.
- **Cross-Border Partnerships:** Build valuable connections through dedicated business matching and networking sessions.
- **Sustainability & Innovation:** Experience firsthand how Ho Chi Minh City is pioneering sustainable solutions within a dynamic urban landscape.

At the end of the trip, participants will also have the opportunity to network with Vietnamese business owners and entrepreneurs, as well as foreign entrepreneurs based in Ho Chi Minh City and beyond.
