

MORE INFORMATION ABOUT NTU ENTREPRENEURSHIP ACADEMY - IMMERSION TRIP TO VIETNAM, HO CHI MINH CITY

Thank you all for your interest in our immersion. Please find the basic info to your queries on this trip:

The objective of this trip is to focus on:

- Industry 4.0 in Action: Get behind-the-scenes access to advanced manufacturing zones and smart city pilots.
- AI & Digital Ecosystem Insights: Learn from Vietnam's rapidly expanding tech scene in AI, IoT, and digital services.
- Cross-Border Partnerships: Build valuable connections through dedicated business matching and networking sessions.
- Sustainability & Innovation: See firsthand how HCMC is pioneering sustainable solutions within a dynamic urban landscape.

At the end of the trip, participants will also get to network with business owners/entrepreneurs from Vietnam and foreign entrepreneurs who are based in Ho Chi Minh City or beyond.
