OTHER EVENTS

Singapore Carbon Market & Investor Forum

Date & Time: 19 Jul - 20 Jul 2023

Registration: Click [HERE](#) for more details

The Carbon Market Institute is heading to Singapore to convene its first international Carbon Market & Investor Forum. This event will facilitate new discussions, and build relationships with professionals, investors, and policymakers from across the region covering 3 main themes: Nature-Based Solutions, Fostering International Linkages, and Investment.

Singapore Cloud and Datacentre Convention 2023

Date & Time: 20 Jul 2023

Registration: Click [HERE](#) for more details

Singapore has prospered through innovation that has woven data centres and technology into the fabric of the state as a key to the future. The data centre landscape is changing, and the data centre of the future will be denser, better connected, more automated, and more reliant on sources of renewable energy.

SIMOC 2023

Date & Time: 22 Jul - 25 Jul 2023

Registration: Click [HERE](#) for more details

The Singapore International Math Olympiad Challenge (SIMOC) is a prestigious annual competition that brings together young math enthusiasts from around the world. SIMOC serves as a global platform for students to showcase their skills and engage with their peers in a spirit of friendly competition.

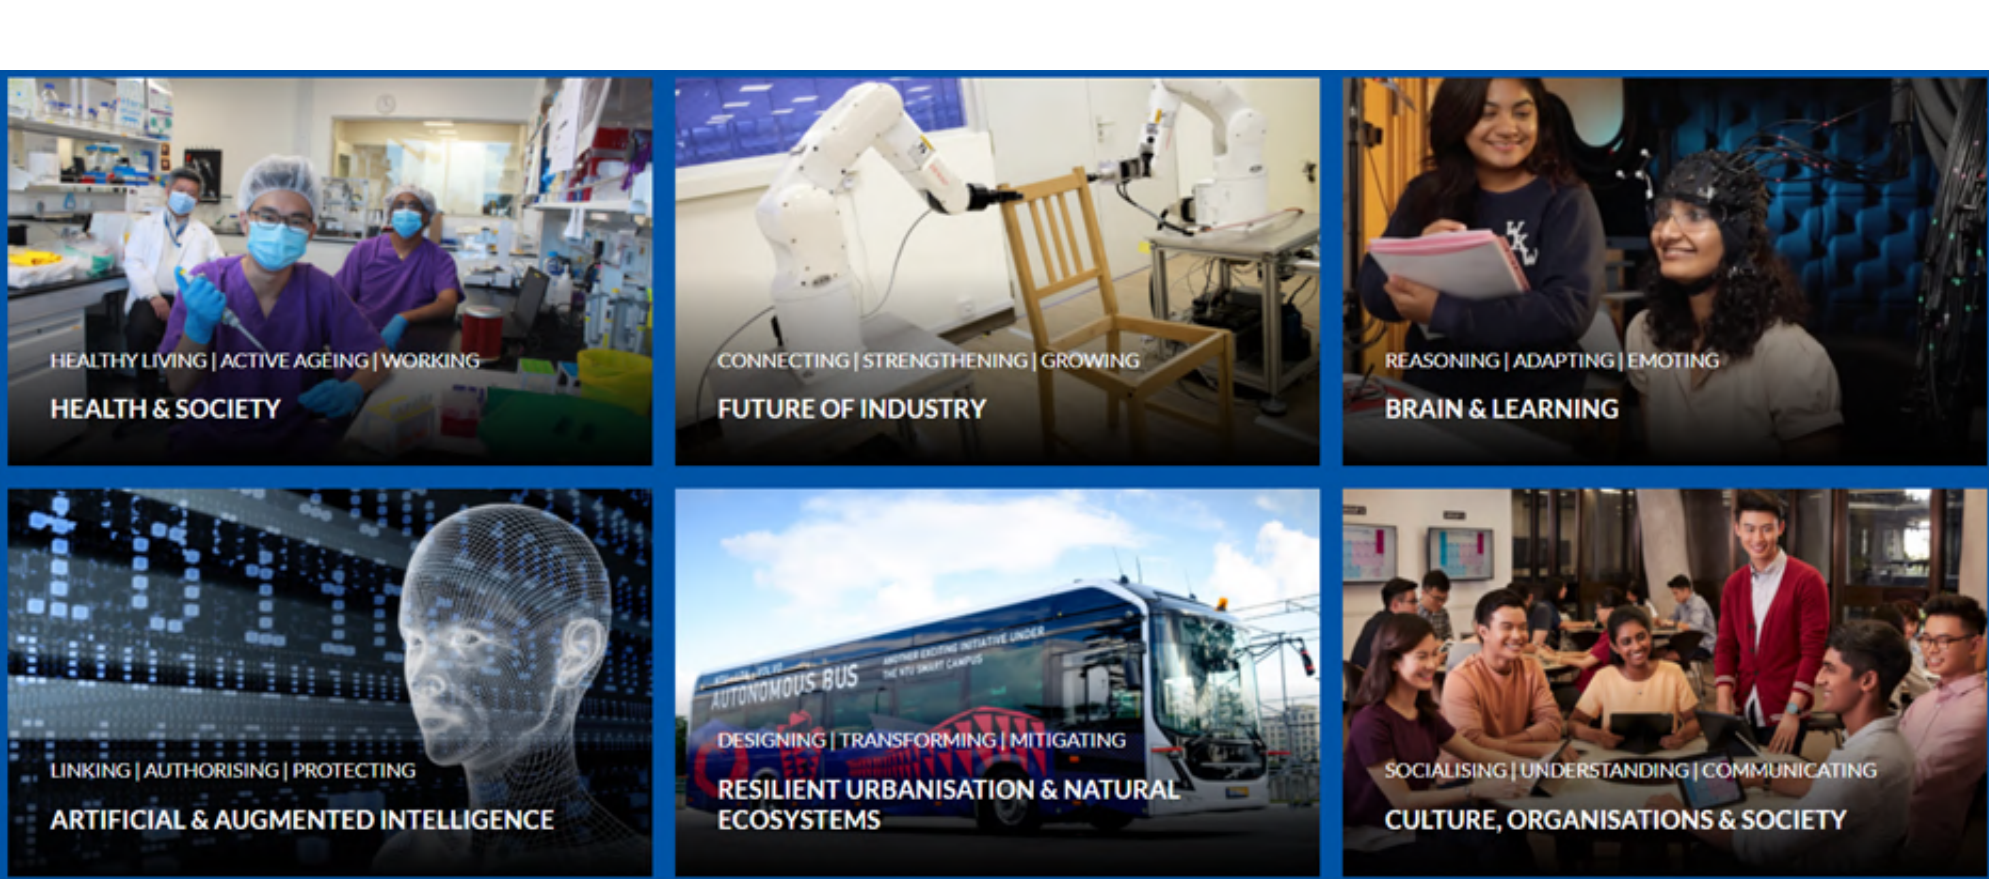

WorldSkills ASEAN 2023

Date & Time: 22 Jul - 27 Jul 2023

Registration: Click [HERE](#) for more details

This is the largest skills competition in ASEAN and competitors represent the best talents, selected from national skills competitions in ASEAN countries. For the first time, Singapore is hosting the WorldSkills ASEAN 2023 (WSA2023) competition.
