Updated as of 19 May 2025. Information provided above is correct at the point of publishing and is subjected to changes.

Important Notes

1. All lectures are conducted online and are available at the start of the programme.
2. The Final Examinations (MCQ), onsite tutorials and workshops are conducted in-person on LKCMedicine Novena Campus.
3. Students are required to attempt the Main Papers for all MCQ Assessments. Students who failed a course may be given a chance to attempt the Final Examination Supplementary Paper for the course.
4. All students should plan your schedules and commitments around the schedule of the HoPE programme. Any request for leave from the Main Paper would need to be supported with documentary proof e.g., MC, letter from employer etc. Those with valid reasons and supporting documents/proofs will be given due consideration to attempt for the Supplementary Paper. The supporting documents have to be submitted in advance before the Main Paper.
