

Ling Min HOON

Director
Investment Group
GenZero

Ling Min is a Director in the Investment Group at GenZero, leading the company's investments in nature-based solutions.

She was previously a Director in Temasek International's Sustainability Group, accumulating more than 10 years of experience investing in global companies across diverse industry sectors, including transportation, logistics, industrials and real estate. She also led early-stage supply chain technology investments at Reefknot Investments, a joint venture fund between Temasek and Kuehne+Nagel.

In terms of external appointments, Ling Min sits on the Board of Perennial.

She graduated from the Singapore Management University with a Bachelor of Science in Economics and a Bachelor of Business Management.
