

Nick Soeteman

**Managing Partner,
ACT Group**

Nick Soeteman is a Managing Partner at ACT Group and responsible for all the Sales & Origination activities of ACT across the APAC region. Nick has been active in the environmental commodity markets, including the carbon markets, for over 14 years. He started his career as a Carbon Trader in the EU-ETS, after which he became desk head of the German speaking markets for different environmental commodities, such as Carbon, Renewable Energy and Biomethane. In his roles, he has helped many large corporations with their carbon strategies, both for compliance and voluntary purposes.

Nick holds a M.Sc. in Business Administration from the VU University in Amsterdam, The Netherlands and has been based in Singapore since 2022.
