

TUITION FEES FOR MOE-SUBSIDISED MASTER'S BY COURSEWORK PROGRAMMES ACADEMIC YEAR 2025-2026

APPLICABLE TO EXISTING INTAKES

(A) Notes on Tuition Fees

1. All fees listed above are in Singapore dollars (S\$). Every academic year, fees are reviewed and subject to revision. Tuition fees for students admitted in AY2022/2023 onwards will be the same throughout the normal programme duration as cohort-based fees is introduced from AY2022/2023.
2. For Singaporeans and Singapore Permanent Residents under subsidised programmes, the tuition fees are exclusive of GST. The GST for these students is borne by MOE.
3. For international students and students on non-subsidised tuition fees, unless otherwise stated, the tuition fees are inclusive of 9% GST with effect from 1 Jan 2024. GST on tuition fee is to be borne by students.
4. There are two semesters in an academic year. Fees payable every semester must be paid in advance and within the stipulated period.
5. Students who fail to pay fees within the stipulated periods can have their names struck off the register of graduate students. A student whose name has been thus struck off but who is otherwise eligible to continue his candidature will be reinstated only after he has settled all outstanding fees and paid a re-registration fee of S\$54.50.
6. A student who withdraws or leaves the University two or more weeks after the commencement of his candidature or the commencement of the semester is liable to pay the fees due for the semester.
7. The University's Board of Trustees reserves the right to alter fees at any time without notice.
8. There are other miscellaneous fees payable. Please refer to the document on "Miscellaneous Fees" for more details.

Eligibility Guidelines for Ministry of Education (MOE) Subsidy

9. The substantial tuition subsidy from the Government of Singapore comes in the form of a MOE subsidy which is administered by the Ministry of Education (MOE) and is offered to all admitted students in eligible Masters programmes up to the normal programme duration.

10.1 Period for MOE Subsidy

With effect from AY2020 for all new intakes for the following programmes, the MOE subsidy will cover **up to the normal programme duration** for part-time and full-time mode of studies for the following intakes:

	<ul style="list-style-type: none"> • Master of Education • Master of Teaching
Part-time	2 years
Full-time	1 year

10.2 Students with a Higher Degree Qualification

Students who have previously enjoyed MOE subsidy in a graduate programme will not be eligible for MOE subsidy in another graduate programme at the same or lower level. Instead, such students will be liable to pay “Non-subsidised Fees” for the graduate programme that they now wish to undertake. For example, students who had previously enjoyed MOE subsidy in a Masters programme and had attained the Masters degree will not be eligible for subsidy in another programme at Masters degree or lower level. In addition, if they wish to upgrade in another discipline area where the programme has a combination of Masters and PhD candidature, they will not be eligible to enjoy MOE subsidy during the Masters candidature.

10.3 Transferred or Re-admitted

Students who are transferred or re-admitted within NTU or across Autonomous Universities* may not be eligible for MOE subsidy for the full normal programme duration for the new programme, depending on the number of semesters of MOE subsidy received from the previous programme.

**Autonomous Universities refer to NTU, National University of Singapore (NUS), Singapore Management University (SMU), Singapore Institute of Technology (SIT), Singapore University of Technology and Design (SUTD) and Singapore University of Social Sciences (SUSS).*

SkillsFuture Mid-Career Enhanced Subsidy for Singapore Citizens aged 40 years and above

10. With effect from 1 July 2015, Singapore Citizens (SC) students aged 40 years and above will pay fees that are 60% lower than the standard subsidised fees payable by other

Singaporean students who are below 40 years old. However, this is not applicable to students paying non-subsidised fees.

(B) Annual Tuition Fees Payable for AY2025/2026

- **Annual Tuition Fee for Full-Time Students**
 - [For students admitted to NIE in AY2024/AY2025](#)
 - [For students admitted to NIE in AY2023/AY2024](#)
